### Missions Week March 15-19

Missions Week is going to be an exciting week of giving to others who are in great need or who don't know Jesus Christ. We will be collecting money to help children devastated by the earthquake in Haiti and we will be collecting items for a children's VBS in Nicaragua. More information will follow soon. Prepare your child's heart to find a way to use this opportunity to show their love and compassion for those who are hurting and in need.

#### African Pen Pals

Our students in 1<sup>st</sup> – 5<sup>th</sup> grades connected with school children in Africa by sending letters with pictures and drawings. The children were elated to hear from their new American Pen Pals! Scott Heiman, who personally delivered the letters sent back this message:

*"The Kenya kids were beside themselves with happiness when they got their letters. All of them are carrying them around asking me and the teachers to re-read them over and over. They especially love the ones that have photos and/or drawings with them. And a special thanks to the 3<sup>rd</sup> grade for the school and first aid supplies they sent. Not only did the kids love them, the teachers were beaming ear to ear!"*
