SPECIAL BULLETIN FROM THE TEACHERS!!

Students may choose to exchange Valentines at our party. Students that choose to give Valentine cards or candy must do so for their entire homeroom. It is optional to exchange with the other homeroom.

Remember to check Edline on Friday, 2/3 for updates on your child's progress this quarter. 5th graders will not receive a paper progress report.

No school on 2/20 due to Presidents' Day.

Prayer Requests:

- The Murrow Family
- The Starr Family

Andrew James 2/21
Ginny 2/24

BIBLE

“But godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it. But if we have food and clothing we will be content with that. People who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge men into ruin and destruction.”

1 Timothy 6:6-9

SCIENCE

We have started our journey into outer space. Students will be writing our travels through space. These will be published in a class book. Look for information in the near future about ordering your copy of the book.

MATH

We are reviewing basic fraction concepts in math. Students did very well on their geometry tests.

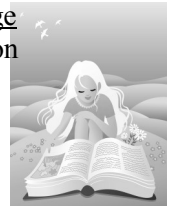

SOCIAL STUDIES

We will be working on the branches of government.

READING

We will continue our novel George Washington's Socks in conjunction with a poetry unit. Please review chapters 1-12 for a test on Friday.

GRAMMAR/WRITING

We will be finishing our unit on simple and compound sentences and testing on Wednesday. Then we will begin a unit on pronouns.

VOCABULARY

We will begin unit 11.

Reporting from Fifth Grade....

I like 5th grade because in Mrs. Fowler's room we do lots of experiments, videos and games. I like science the best. In Mrs. Key's class we play lots of games and do activities. Mrs. Key is really funny and cheerful. 5th grade has been the best year yet!
