Mr. Richard Hardee, Headmaster:
Welcome to the HPCA Annual Report for 2012-13, published for the first time in e-document format as we continue to advance in accessing and utilizing digital content at High Point Christian Academy. At HPCA, we are embracing technology across grade levels through the use of Smartboards, iPads, document cameras, and iPods, along with the implementation of online classes in the high school. As you read this year’s report, be sure to click on the “active links” that will take you to even more exciting information.

While we do embrace new tools for learning and communication through technology, we remain firmly committed to the Academy’s mission and purpose. High Point Christian Academy is founded on the belief that God is the source of all truth as revealed in the person of Jesus Christ. We approach all aspects of learning (spiritual, academic, physical, and social) from a belief that the Bible, as God’s Word, reveals truth. Establishing such a foundation sets the stage for students to successfully engage the HPCA curriculum. That curriculum focuses on developing students who follow Christ in college, career, and personal devotion.

The information in this Annual Report is but a glimpse into the many accomplishments, activities, and successes of the Academy and our students. We recognize that it is all made possible through the ongoing support of our school families and community. Thank you for your continued prayers for wisdom and blessing as we provide Kingdom Education in the coming year!
The Vision
High Point Christian Academy students will acquire wisdom, knowledge, and a Biblical worldview as evidenced by a lifestyle of character, leadership, service, stewardship, and worship.

Specifically, young men and women, products of Christian schooling, will mature to loving God with all their heart, mind, and soul (Matthew 22:37); growing in wisdom and stature (Luke 2:52); being willing to stand apart from the world as salt and light (Matthew 5:13-14); and giving sacrificially of themselves and their resources, reflecting the essence and love of Christ who lives and dwells within them (Romans 12:1).

Core Values
Kingdom Education
High Point Christian Academy was established in 1996 by Green Street Baptist Church as an outgrowth of its ministry for the purpose of:
1. Leading a student to Christ.
2. Building a student up in Christ.
3. Equipping a student to serve Christ.

Dependence upon God
High Point Christian Academy will be faithful to Christ by prayerfully:
1. Seeking God’s will and direction in all matters of the Academy.
2. Following His leading, regardless of circumstance and consequence.
3. Trusting Him to supply all of our needs in the development and operation of the Academy.

Biblically-Integrated Curriculum
High Point Christian Academy recognizes God as the Source of Truth and will acknowledge God in the academic program by daily:
1. Integrating Biblical truth into every area of the curriculum.
2. Using curriculum and teaching that will uphold the traditional family, the dignity of life, and the Biblically-defined institutions of marriage, family, church and government.
3. Using curriculum and teaching that will unite science and faith.
4. Using curriculum and teaching that reinforces the principle of the work ethic.
5. Using curriculum and teaching that is Biblically-based and developmentally appropriate.

Quality Personnel
High Point Christian Academy places emphasis on the Christian character and professional qualifications of our personnel. Therefore, we accomplish this by:
1. Hiring capable, properly-degreed, certified teachers of notable Christian testimony and maturity who will be role models, teaching with the love of Christ in all things.
2. Maintaining an equitable, regionally-comparable salary scale and employee benefits.
3. Requiring ongoing professional development.

Partnering with Parents
High Point Christian Academy recognizes that the education of children and youth is the primary responsibility of parents. Therefore, we will assist parents by:
1. Developing, improving and expanding the Academy’s programs and services.
2. Strengthening the home-school relationship via regular communication and sound Academy policy.
Beginning in July of 2012, High Point Christian Academy invested in its future as selected board members, administrators, faculty, and parents spent time focusing on a strategic analysis of our school’s culture and programs. We are grateful to the task force for its efforts to guide the Academy in pursuit of its mission. We invite our families and community to join us in this venture!

Please keep in mind, a healthy strategic plan is dynamic—meaning it is part of a planning and learning culture at HPCA, subject to ongoing assessment and improvement. Likewise, a strategic plan is only as successful as the people behind it. Unified in purpose, it will take our collective prayers, wisdom, and resources to enable HPCA’s future as we seek to be a blessing to God and to the families in our community.

SCHOOL CULTURE INITIATIVE

“Our goal is to foster an atmosphere that values each student and helps them discover and develop their God-given gifts for meaningful life impact.”

MARKETING AND COMMUNICATION INITIATIVE

“Our goal is to effectively communicate the mission of HPCA to our community as we also strengthen the marketing, admissions, and enrollment process for future growth and sustainability.”

TECHNOLOGY INITIATIVE

“Our goal is to prepare students for success in a rapidly changing academic world and for a future in an increasingly competitive, global economy.”

FINANCIAL STABILITY INITIATIVE

“Our goal is to create a plan that will ensure the ongoing development of facilities and programs and provide the long-term financial stability needed for the future.”

Link to Strategic Initiatives Brochure
Financial Summary
HPCA has consistently maintained a proven track record of fiscal responsibility and academic success. Through the Strategic Initiative process this year, a greater emphasis was placed on the ongoing development of facilities and programs to provide the long-term financial stability needed for the future. Click here for more information about the Strategic Plan.

Each year, our families make a decision to invest in Christian education for their child at High Point Christian Academy. The link below provides a glance at the schoolwide HPCA data that make this a wise investment in the life of a child.

To see key data on 2012-2013 school year, link to infographic, “Experience the Difference.”
Donor Support
Our donors make a difference for Christ in the lives of our students and their families, supporting the mission of academic excellence grounded in a Biblical worldview. Thank you for your generous giving! We thank the Lord for you: “This service that you perform is not only supplying the needs of God’s people but is also overflowing in many expressions of thanks to God.” II Co. 9:12

Fruit Sale - Beth Saintsing
All Pro Dads - Steve Powell

HPCA Cougar Boosters
Our gratitude is extended to the inaugural members of the HPCA Cougar Boosters, formed to support the academics, arts, and athletics of the Academy. Major accomplishments of the Cougar Boosters during the year 2012-13 include:

- HUDL Program for Athletics Department
- HP Christian Sign for High School building
- 6 iPads for Middle School classroom use
- Assisted with purchase of Smart Board for Elementary classroom
- Acoustical Shell - to be used during fine art performances

At High Point Christian Academy, we emphasize academic rigor utilizing an excellent, college preparatory, and Biblically-integrated curriculum. Each classroom is energized by a challenging and supportive environment. Smaller class sizes enable our talented teachers to provide individual attention and to encourage students to perform at their highest level.

The results of our K-8th grade national standardized tests are indicative of our students’ success. High Point Christian Academy students have consistently performed at superior levels in comparison to national norms. In addition, our graduates are annually awarded scholarships for outstanding academic performance. Past graduates include National Merit Scholar recipients as well as commended National Merit Scholarship designees.

Generally, 100% of our graduates pursue their education beyond the secondary level and have been admitted into outstanding colleges and universities across the country. For a list of college acceptances, click here to view the School Profile.

High School
All of our high school teachers are committed Christians with credentials to teach their subject areas. We offer three different levels of courses – College Prep, Honors, and Advanced Placement (AP). All three levels of courses are designed to prepare our students for the academic rigor of college. Our latest students’ SAT scores are around 1650 and we are proud to announce that our pass rate for our AP courses last year was 90%. Not only do our teachers teach students their subjects effectively but, more importantly, they love their students and understand the importance of building lasting relationships!

We have an outstanding high school program that is committed to working in partnership with family, excelling in academics, and teaching our students to view life through a Biblical perspective. We have had eight graduating classes with over 380 graduates. Our most recent sixty-five graduates, the class of 2013, earned close to $3.3 million in academic and athletic scholarships. Even though we have experienced tremendous growth in our high school over the last several years, our mission statement has remained the same.

High Point Christian Academy 2012-2013 Annual Report
**Teacher of the Year**

**Angela Norris, High School Resource Teacher**

Mrs. Norris just completed her 7th year in teaching at HPCA. She has also taught in Randolph and Davidson Counties. Mrs. Norris works with individual students and small groups from 9th - 12th grade to tutor and provide support in core classes. She works with a majority of our international students as they transition to America and to HPCA. She provides faculty support to the Breakfast Buddies and Interact Club students. As a graduate of UNC-Charlotte, Mrs. Norris holds the degrees of BA in Elementary Education, BA in Psychology, and Masters in Education as a K-12 Reading Specialist. Married with four children, Angela and her husband, Randy, live in Thomasville and have three children currently attending HPCA. When asked about her work at HPCA, Mrs. Norris responded, "I love helping students and seeing them understand concepts that they struggled with. I love working with our international students because they are so eager to learn and so very thankful for everything you do for them. I love the relationship I have with my students because they share things with me and we talk about things going on in their lives. They have been so supportive of me and all that I have been through (she has battled cancer this year). It is such a blessing to work with them."

**Middle School**

Middle School includes grades 6, 7, and 8, with sixth grade students following a 7-period academic day, while the 7th and 8th grade classes operate on “A” and “B” Day block schedule, similar to the high school. In addition to a strong academic program, delivered by a caring and supportive faculty, the middle school offers students many opportunities for growth and development. Academically, Middle School students can participate in Student Council and Jr. Beta Club. Members of the Jr. Beta Club serve others through various projects at local community centers. Athletically, students can try out for Baseball, Basketball, Cheerleading, Cross Country, Football, Golf, Soccer, Swimming, Tennis, Track, and Volleyball.

This year, awards were presented to students in the areas of English, Literature, Bible, Social Studies, Math, Pre-Algebra, Algebra, Spanish, Computer, Physical Education, Art, Band, and Chorus. Each eighth-grader received a certification for Completion of Middle School Studies, which also named character traits chosen by classmates to describe each student. We challenge every student to use these positive character traits to bring glory to God.

Middle School students competed in the regional ACSI Spelling Bee, Math Olympics, Speech Meet, and the HPCA Piano Festival.
Elementary
Elementary students experience instruction that develops knowledge, understanding, and critical thinking skills, enriched with technology, and grounded in a Biblical worldview. With high numbers of students qualifying for the national Duke Talent Identification Program, the opportunities for enrichment abound.

Classes are given in
- Spanish
- Music
- Art
- Physical Ed
- Media
- Computer

HPCA was represented at regional competitions in Spelling, Math, Geography, Writing, Speech, Art, and a local Piano festival. Our students earn many ribbons and awards, demonstrating leadership and success in these areas.

Extracurricular activities provided for elementary students include
- Math Club
- Technology Club
- Robotics Club
- Bel Canto
- Drama Kids International

The annual Summer Reading Program boasted over 2,300 books read during the summer by our students. Fitness is stressed, as well, with every student participating in the President’s Council on Physical Fitness.

Technology-infused instruction was expanded with the addition of more SmartBoards and classroom iPads. First grade students worked as the authors, illustrators, and narrators of their own original stories, creating iBooks which are compatible with Apple products. To enjoy one of the student’s books, click on the following links. iBook (text and audio) eBook (text only)

In addition to academics and enrichment, service opportunities are embraced at every grade level and our students have made a difference in the lives of others in our community and around the world. From the local Pregnancy Care Center and Gideons organization, to penpals in Kibera Slum, Kenya, the boys and girls of HPCA extend our loving, caring atmosphere to those in need through prayer, giving, and serving.

K-8 Resource Department
Designed to support students with diagnosed learning differences, the HPCA Resource Department is manned with a highly trained faculty, working with students individually and in small groups. The Homework Room began this year and provided much-needed after school support for the Department’s students.
Art
The art program, under the excellent direction of Ms. Amy Davis and Mrs. Abby Lewallen, continued giving students at HPCA opportunities to learn and express themselves visually. The high quality work from both studios could be seen on display throughout the year on campus. The Sixth Annual High School Art Show was very exciting and showed the continued growth of the program. Jeremy Sams, a plein air painter from the triad area, was our judge. Awards at this year’s show were Caroline Harding – Most Creative, Grace Jansen – Best Overall Exhibit, and Madison Robbins – Best in Show. Equally exciting was the inaugural middle school art show held in the high school media center. The room was packed full of parents and art admirers. The award of Best in Show was given to Caroline Harris and the evening was accompanied by musicians from the high school band program. In our elementary program, Mrs. Abby Lewallen taught our young artists the many basics of the visual arts field. Under her guidance, the students were well prepared for more advanced study as they graduate into the middle and high school programs. The art program at High Point Christian also reached into the community with showings at the Theatre Arts Gallery downtown, and local gathering, spot Jumoka Café.

To follow the Art Program in the current school year, click here for High School, and here for Middle School.

Band
The band program, led by Mr. Ron Padgett, continued its tradition of excellence as they performed and competed throughout the year. As always, our middle school group participated in the annual Carowinds Band Festival, as well as performances throughout the year at concert programs. The high school band competed in the Smoky Mountain Music Festival in Gatlinburg, TN where they received an Excellent rating.

Of special note, clarinetist Chandler Starr auditioned for and successfully made the North Carolina All-District Band. Additionally, both Chandler and fellow junior Langston Styles on saxophone received the highest rating of Superior at the North Carolina Solo and Ensemble Festival. This is Chandler’s third Superior rating in as many years. The jazz band also had a great year of exciting performances. In addition to concert programs on campus, the ensemble played at River Landing community twice and entertained audiences at school outreach programs throughout the year. A highlight of the group’s year was hearing famed New York jazz musician/drummer Tommy Igoe and his roaring big band play in downtown High Point. Afterwards Tommy took pictures with the student musicians and signed paraphernalia.
**Choir**
Under the strong leadership of Mrs. Melanye Crayton, the choir program had their best year ever of music making. The middle school choir participated in the annual Carowinds Choral Festival receiving an *Excellent* rating, and performed for Piedmont Christian Home in High Point. The high school choir continued its program of excellence as they performed in various concerts and ministered in town. The group also participated in the NC District Contest where they received *Superior* ratings in both performance and sight-reading. The following honors students also performed in various ensembles receiving *Superior* and *Excellent* ratings: Stephanie Bartlett, Caleb Beane, Jarred Bergsma, Trey Childress, Rachel Cox, Sydney Harris, Jessica Hawks, Jordan Leigh, David Loy, Sarah Marsh, Kendall McCorkle, Lindsay Payne, Catherine Phipps, Jackson Weisner, Ben White, and Rachel Williams. The highlight of their year was their performance at the Heritage Choir Festival in Williamsburg, VA. The full choir, as well as the women's ensemble, received *Superior* ratings. The choir also received first place in their division and the festival’s highest award, the Sweepstakes trophy, for having the highest overall rating among all groups attending. In addition, the group was honored with their second invitation in as many years to participate at next year’s competition at Carnegie Hall. To close the school year, Mrs. Crayton led the choir in John Rutter’s beautiful *For the Beauty of the Earth* at our high school graduation.

**Drama**
The HPCA drama class continued its growth under the direction of Mr. Padgett. Throughout the year the students learned the basics of effective dramatic presentation through the performance of various monologues, improvisations, and acting activities. Participants also perform skits presented in chapel programs. This year the group attended *A Christmas Carol*, performed by our locally-based and regionally famous NC Shakes Company. In the spring, the students presented the high school comedy, *The Perfect Idiot*. The play was offered for two nights as part of a dessert theatre format. In our Elementary Division, Drama Kids International provided weekly drama instruction to our youngest actors and actresses.

**Elementary Music**
Our young musicians in the Elementary Division were under the expert instruction of Mrs. Kristain Starr. In her program, the students learned the basics of the musical language, how to sing properly, how to play a wind and percussion instrument, music appreciation, history and theory. Indeed, the strength of the upper school music performances owed much to the teachings of Mrs. Starr in the Elementary Division. During the year, elementary students performed two large musicals: the Christmas and Grandparents’ Day programs. Mrs. Starr also organized and hosted a piano festival for all of our piano students. In addition, the elementary choral group, Bel Canto, performed throughout the community and at the Carowinds Choral Festival.

**Middle School Fine Arts Wheel**
This year, the Fine Arts Department continued one of its most popular programs, the Fine Arts Wheel. This innovative program allowed every 6th grade student at HPCA to take a full 12 week rotation in all three areas of art, band and chorus. The classes were taught by Mrs. Lewallen (art), Mr. Padgett (band), and Mrs. Starr (choir). At the conclusion of each rotation, parents visited their child’s individual class to see artwork or hear performances which their children had worked on throughout the session. Of special importance was the experience that every child had, allowing him or her to make a more informed choice in their fine art elective in the 7th grade.
ATHLETICS

In 2012-13, the High Point Christian Academy Athletic Department fielded 35 competitive athletic teams in 12 different sports. The rosters were filled with 470 student-athletes. Full 2012-2013 Athletic Summary.

Piedmont Athletic Conference of Independent Schools (3A)
Championships: JV Volleyball, Varsity Volleyball, MS Boys Basketball, Varsity Softball, Varsity Baseball
37 All-Conference players:
Cross Country – David Loy, Connor Flater
Football – Rockill Brown, Rick Mack, Malik Streater
Boys Soccer – Zach Hamilton, Jonny Lind
Tennis – Sarah Bridger, Mariana Gamboa, Maria Santafe
Volleyball – Rachel Cox, Halle Hunt, Nikki Zittinger
Basketball – Diante Baldwin, Jackson Kent, Michael Kobani, Hailey Riffe
Swimming – Landis Cranford (100 Breast), Curtland Hanes (500 Free)
Track & Field – Halle Hunt (high jump), Rockill Brown (shot put, discus), Malik Streater (110 high hurdles, 300 hurdles, 4x100 relay), Nate Degraffinreaidt (4x100 relay), Geoffrey Wall (4x100 relay), Mark Kim (4x100 relay)
Softball – Lindsay Payne, Sloane McPeak, Ashlyn Kennedy
Tennis – Sam Parlier
Girls Soccer – Madison Mathis, Brennen Moore

Conference Players of the Year: Lindsay Cecil, Softball; Levi Gesell, Baseball
Coaches of the Year: Brittany Ivey, Volleyball; Corey Gesell, Baseball

North Carolina Independent Schools Athletic Association (3A)
State Playoffs: Softball (State Champions), Volleyball (1st round), Boys Soccer (1st round), Football (1st round), Boys Basketball (semi-finals), Baseball (semi-finals)

All-State players: Basketball – Michael Kobani; Baseball – Levi Gesell, Stephen Hemrick; Softball – Lindsay Cecil, Sloane McPeak, Ashlyn Kennedy

College Athletes
Chris Corbett, Baseball, Rollins College (FL)  John Lind, Soccer, North Greenville Univ (SC)
Diante Baldwin, Basketball, UNC-Greensboro (NC)  Quentin Chavis, Football, Greensboro College (NC)
Jackson Kent, Basketball, James Madison Univ (VA)  Rockill Brown, Football, The Univ of Mt. Union (OH)
Chuk Ogbodo, Basketball, UNC-Wilmington (NC)  Landis Cranford, Swimming, Carson Newman Co (TN)
Michael Kobani, Basketball, Appalachian State Univ (NC)

Cougar Cup Golf Tournament
The 2012 Cougar Cup Golf Tournament was held in October at The Meadowlands Golf Course. Thank you to over 150 golfers, and to the sponsors, that raised over $33,000 for the Athletic Program.

Cougar Athletes of the Year
Male: Senior Rockill Brown – Football, Basketball, Track & Field
Female: Sophomore Halle Hunt – Volleyball, Track & Field
High Point Christian Academy is a school in which God’s guidance and direction is continually sought. Our school is a ministry in leading children/youth to a saving faith in Christ and development of Christian character. We promote high academic standards, good study habits, and strive to help our students achieve skills in creative and critical thinking. The Academy promotes honor of the body as the temple of God, teaches good health habits, and bodily fitness. We pledge to teach the Bible as God’s inerrant Word and will give our students opportunities to experience a personal saving relationship with Christ as their Lord and Savior. Basic doctrines of the Christian faith are taught and we encourage each student to apply these principles in daily Christian living. We help each student develop the whole personality, based on a proper understanding and acceptance of himself and on the full development of his capabilities in Christ. We encourage the wise use of time as God’s stewards. The Academy fosters attitudes and values needed to establish God-honoring relationships and teaches the use of material things for the glory of God.

As a result, many students come to Christ during the school year, whether in the classroom, at chapel, or at home with their parents. To further their spiritual growth and development, HPCA provides the following activities and support:

- Chapel services and small group Bible studies
- Biblically integrated curriculum across content areas
- Bible lessons and prayer time in elementary classrooms
- Bible curriculum for middle and high school; daily prayer
- Understanding the Times course (UTT)
- Spiritual Emphasis Week
- GSBC pastoral staff involvement
- Middle School trip to Merriwood (fellowship and team-building)
- Core Memory Verses
- High School Senior Trip

**Life of Influence:** Preparing Hearts, Heads, and Hands for Kingdom Impact

Every student has a variety of opportunities for service, showing love and compassion to our community and to communities across the globe. The theme of a “Life of Influence” (LOI) is consistent from Transitional Kindergarten through 12th grade. Elementary students participate in grade level service projects each year, including:

- Provide lunches to Emmanuel School in Kibera Slum, Kenya, using chapel offerings
- Prepare and send shoeboxes for Operation Christmas Child
- Raise money for Open Door Ministries, Pregnancy Care Center, Gideons, and missions support
- Send school supplies and gifts to schools in disadvantaged communities
- Visit local nursing homes with singing and gifts

Each middle school student completes a Servant’s Heart project and each grade level assists a community or mission organization. The LOI project continues throughout each student’s entire high school career to help them discover and develop their own unique God-given mission in order to equip them for a life of personal and cultural transformation. During this process, high school students write a Purpose Statement, plan and execute a “Kommunity Impact Project” (KIP), and submit a final portfolio of their service work, including their five-year Plan of Influence.
The High Point Christian Academy Preschool continues to grow and expand, adding before and after school hours to the services provided. Over seventy boys and girls attended Preschool this year, representing the many ethnicities and nationalities of our community. The children in this program experience engaging activities and opportunities for learning that prepare them for kindergarten and the years beyond. Special events include: School Spirit Day, Pajama Day, Harvest Festival, the Family Picnic, Circus Day, Christmas caroling, and the end-of-year Graduation and Family Picnic. The four-year-old children participate each week in Cougar Cub Club, enjoying special guests and activities such as the Mad Scientist, the Creature Teacher, KinderKixx Soccer, and Art & Music classes.

HPCA Preschool equips boys and girls with the skills and tools necessary for success as kindergarten students. The activities and learning of each instructional day further the mission of the Academy in:

- We magnify Jesus Christ and honor Him through all personal and professional interactions; setting an example for students, parents and community in every situation (Colossians 3:23)
- We give children the opportunity, atmosphere and assistance to achieve under the direction of teachers who love and honor Christ; equipping them to succeed in their educational experience (Ephesians 4:11-13)
- We integrate Biblical principles and Christian philosophy in all activities and interactions (Proverbs 22:6)
- We support families through open, consistent communication between school and home (1 Thessalonians 5:11; Psalm 127:1)
- We maintain a highly motivated and enthusiastic staff dedicated to providing the best care and teaching resulting from professional training, education, personal experience and a committed, personal relationship with Jesus Christ (Hebrews 12:20-21; 2 Timothy 3:16-17)

HPCA preschool strives to maintain a balance of child-initiated play with teacher-directed activities to provide a well-rounded developmental experience.

HPCA Preschool is committed to the nurture, instruction, and encouragement of each student, honoring Christ in all and above all!
With the first graduating class of 2006, the Alumni Association continues to grow each year with now over 480 members. As this Association continues to develop, we are following our former students, keeping them connected with HPCA and with each other. The link below provides a glimpse into some of the accomplishments and services of our alumni and will be expanded throughout the coming years.

View the 2013 Annual Graduate Profile

The 2012-13 school year saw many successes for students, affirming the present strength and quality of HPCA’s faculty and programming. Still, the year was spent in careful examination by teams dedicated to the Strategic Initiatives in the pursuit of strengthening our school’s programs and culture, while at the same time providing sustainability for the future. Two overarching themes emerged from the Strategic Initiative process: being a “School of Honor,” and being a place where students “Develop their Gifts, Defend their Faith, and Disciple their World.” As we enter a new school year in August and launch a new format to our website, these themes will become more developed and help guide our future pursuits and decisions. We give God the glory for another outstanding year, none of which would be possible without your love and support. Thank you for your prayers, your service, and your ongoing support of High Point Christian Academy!

Kingdom Education
“The life-long, Bible-based, Christ-centered process of leading a child to Christ, building a child up in Christ, and equipping a child to serve Christ.”
