About High Point Christian Academy

Since 1996, much has certainly changed on the campus of High Point Christian Academy: new faces, buildings and classrooms; new technology; and enhanced learning techniques. However, the one thing that has remained constant is our love for and focus on Jesus Christ. HPCA was founded to be a school that would lead, build, and equip students to be life-long disciples of Christ. Today, this is more critical – and apparent – than ever.

HPCA has an enrollment of nearly 800 students, over 130 faculty and staff members, and serves students representing 100 different churches and 40 various zip codes. Cougar students thrive in an advanced technological environment as they develop 21st century skills. High school students have 1:1 access to Chromebooks, and AP and online classes are also offered in high school. All students benefit from technology classes with robotics and 3D printing projects. Classrooms campus-wide are equipped with smart boards or interactive panels.

In addition to a rigorous academic program, HPCA offers a plethora of fine arts and athletic programs. The fine arts program includes drama, concert choir, women's ensemble, Cantare, Bel Canto choral programs, concert band and jazz band. Visual arts include honors level classes as well as Comic Book Illustration. There are 34 athletic teams in 12 different sports. Our student athletes have won eleven state championships and 46 conference titles. In addition to their on-field accomplishments, each team also participates in a community service initiative.

Certified teachers lead the challenging academic program, utilizing a variety of textbook resources in the teaching of math, science, language, reading, spelling, social studies and Bible. Integration of Scripture takes place across the curriculum as Biblical principles are applied to everyday learning. Additional areas of study include art, technology, physical education, music, foreign language, and library.

MISSION STATEMENT

High Point Christian Academy is committed to Christ-centered, quality education and academic excellence in partnership with family and church within a loving, caring atmosphere.

VISION STATEMENT

High Point Christian Academy students will acquire wisdom, knowledge, and a Biblical worldview as evidenced by a lifestyle of character, leadership, scholarship, service, stewardship, and worship.

GOAL ONE

Kingdom Education Commitment that leads to life-long Christ-centeredness

Our goal is to strengthen our commitment to Kingdom Education in all areas and programs within our school. Kingdom Education sets the path for us to lead our students to Christ, build our students up in Christ, and equip our students to serve Christ.

GOAL TWO

Curriculum, Technology, and Instruction that leads to academic excellence

Our goal is to enhance our curriculum and student learning experience through instructional and informational trainings, continued professional development, and improvements to our programming.

GOAL THREE

Facility Development to provide a quality on-campus experience for our community

Our goal is to provide the facilities to house a gymnasium along with other campus improvements to develop and enhance the resources and programs of HPCA.

GOAL FOUR

Financial Resilience to provide long-term successful operations

Our goal is to sustain and develop business and operational practices that provide for long-term stability.
