

HIGH POINT CHRISTIAN ACADEMY

— AUCTION —

2023 Auction Sponsor Packet

You are Invited!

We invite you to take advantage of this opportunity to support the It Happens Now Capital Campaign for High Point Christian Academy and gain exceptional advertising for your company with a sponsorship of this event. All proceeds from this event will go directly to GROW the campus of HPCA with the building of a new gymnasium!

As our ministry grows, so does the need for larger facilities, additional teachers, more technology, and equipment.

What better cause to support than the spiritual and academic growth and development of a child! Capital improvement investments literally provide the bricks and mortar necessary for furthering our mission to develop lifelong learners and well-rounded global citizens.

Every gift to High Point Christian Academy is meaningful, regardless of size. Your generosity will ensure that our tradition of quality education in a Christian environment will continue to enrich our students and community.
