Senior Pictures for the Yearbook

Senior pictures are a very important memory for everyone involved in the life of a high school senior. It is important to the *Compass* yearbook staff that you are happy with your picture in the yearbook, that it meets the school's expectations, and that it is attractive in an arrangement with other senior pictures. Your picture is due to the yearbook teacher no later than **October 7, 2022**. This means that your photo must be taken early to allow your photographer time to process the picture and get it to you.

Please have fun with your senior pictures. Note that the picture you choose for the yearbook needs to be modest, appropriate for a school function, and classic. Remember, this is the picture people will look at to remember you in 5, 10, 20, and even 50 years.

Guidelines (share these with your photographer):

- Your face should be the center of attention in the photo.
- Your picture should include from your head to your hips or about 3/5s of your body.
- Your picture must be “environment setting” – clearly outside.
- You will submit a digital image to the Walsworth website following the instructions on p. 1. Digital images must be 5x7 inches, must be **in jpeg format**, and must have a resolution of 200dpi (2400x1600) or higher.

List of images to avoid:

- Avoid exposing too much skin (sleeveless is acceptable, but be tasteful with your choice: avoid low-cut tops or skirts/shorts that are more than 4” above the knee, or crop tops).
 - We may ask for a new picture or crop if your image is not acceptable by these standards.
 - When in doubt, all school policies must be upheld in order to be published in the HPCA yearbook.
- Thank you for understanding that we strive to glorify God in all publications.

Timeline:

September 9, 2022 (or before): Senior Dedication order form and payment due.

October 7, 2022 (or before): ALL pictures must be submitted along with pg. 3 to the yearbook teacher:

- Senior photo clearly labeled and uploaded to Walsworth website.
- 3 slideshow photos clearly labeled and turned in on a flash drive (please label the flash drive or put it in a bag/envelope with your name on it and I will return it to you)
- All pictures for your dedication page (number depends on the size you purchase) and letter to your senior for the dedication page (about a paragraph; can be longer or shorter depending on the size of your page, and you may include a Bible verse or a quote, etc. See previous books for ideas.) submitted to the yearbook teacher via THE SAME flash drive as your slideshow pics clearly labeled or in a folder labeled dedication page.
