

# Bible III (HONORS) Summer Assignment!

## Welcome to SUMMER!

I am glad you've finished up strong in Bible II and are ready to go for Bible III Honors! Below is the information for your Honors Summer Assignment. I wanted to get this information to you early so that you'd have time to schedule and not stress (and not procrastinate). There's plenty of time to complete this, so don't stress right now. REST UP! You've earned it!

If you have any questions, even about answers or understanding what the assignment is communicating, please ask! I will gladly respond to emails all summer long.

- Mr. Bingham (jbingham@hpcacougars.org)

## Directions

**Directions:** This assignment will consist of watching 10 videos (4 are short). You will have a question sheet for each video. Video links are below, and the questions pages should be linked on the website that brought you to this page. You will watch the video and pause occasionally to fill in answers on your question sheet. Feel free to watch the videos as many times as necessary to complete the assignment. Please do not google answers or attempt to take short cuts (you're in honors, right?).

**Procrastination:** The purpose of this assignment is to get you familiar with the structure and basic message of the New Testament. If you take your time and do the assignment over several days, then you will help yourself to gain the understanding this assignment is meant to give. If you procrastinate, then honors isn't for you.

**Grading:** This assignment will be due to Mr. Bingham by 3pm of the 2<sup>nd</sup> Friday of the school year. Each page will be graded individually, then averaged together for a test grade. Treat this as a take-home test to start off the school year. *If it is not completed, the grade issued will be a zero and no late grade assignments will be accepted.*

**Honor policy:** It would be unwise to "collaborate" with other students on this assignment. As you are signing up for honors, the work should be your own. You are expected to watch the videos to obtain all answers; googling answers is unacceptable. It would not do well to start off your year with a mark of dishonesty or cheating against you. Cheating results in a zero (this is a test grade).
