# CANVAS - ACCESS STUDENT'S ACCOUNT ON A COMPUTER

1 **On a computer, go to Google.com and log in to your account**
Use your school email address and password.
The email address will end in @hpcacougars.org

2 **Gmail and the Google Apps Menu (9 dots)**
Click on Gmail for your email messages,
and click on the Google apps menu (9 dots)

3 **Scroll to the bottom and click on the Canvas icon**

4 **The student is now automatically logged in to Canvas**
There are no additional login credentials for Canvas.

5 Get Pairing Code

Student Pairing Code
This code is generated from your student's Canvas account.

- On a computer, your child will log in to Google, click on the 9 dot menu and click on Canvas icon.
- Click on left menu -- Account, Settings. On the right side, click Pair with Observer. This will generate an alphanumeric pairing code.

Click for a video tutorial.
