# CANVAS - ACCESS STUDENT'S ACCOUNT ON A COMPUTER
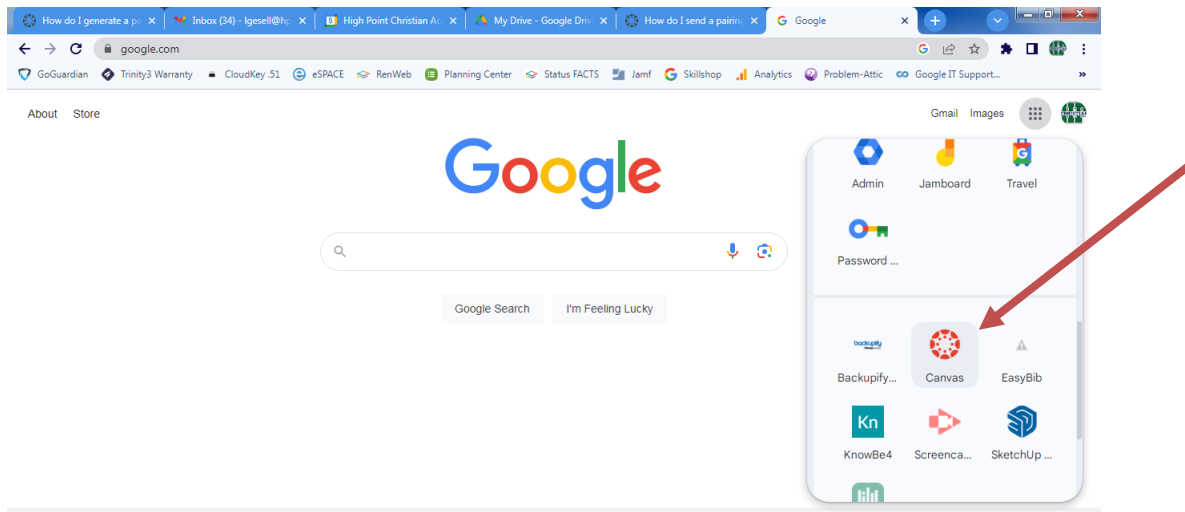

1 **On a computer, go to Google.com and log in to your account**
Use your student email address and password.
The email address will end in @hpcacougars.org

2 **Open the Google Apps Menu (9 dots)**

3 **Scroll to the bottom and click on the Canvas icon**

4 **The student is now automatically logged in to Canvas**
There are no additional login credentials for Canvas.

CANVAS - CREATE PARENT ACCOUNT USING PHONE APP

**1** **Download the Canvas Parent App** *(Blue)*

2 **Create an account**
Click on Find your School -
Type in High Point Christian Academy

> Find School

3 **Click on Create Account**

4 **Enter Parent Login Info**

5 **Get Pairing Code**

Student Pairing Code
This code is generated from your student's Canvas account.

- Your child will log in to Google, click on the 9 dot menu and click on the Canvas icon.
- Click on left menu -- Account, Settings. On the right side, click Pair with Observer. This will generate an alphanumeric pairing code.

Click for a video tutorial.

Note: A pairing code can be used one time. Generate a unique pairing code for each parent.
