A MESSAGE FROM THE HEAD OF SCHOOL

As I reflect on this past year, I am amazed at the provisions and blessings God has continuously provided to High Point Christian Academy. The 2019-2020 school year was certainly one for the history books. However, through our continued partnership with you, our prayerful supporters, we were able to continue providing Kingdom Education to hundreds of students throughout our community.

We are thankful for our families, friends, community supporters, and prayer warriors who support the unwavering mission of our school. We know you give from your heart to ensure that HPCA continues to offer Christ-centered education in the heart of our city and beyond. Thank you to each of you who have walked alongside our ministry. We covet your prayers as we embark on our exciting future, fully recognizing the power of prayer.

We are continuously thankful for your support!

A MESSAGE FROM THE ADVANCEMENT DIRECTOR

As the 2019-2020 Annual Report came together, my heart was warmed by the smiles, the memories, and the happiness this past year held for our students. Although the 2019-2020 school year was unprecedented, the passion, love, and commitment our families have for Kingdom Education at HPCA is truly inspiring. Hundreds of students on campus, ranging from 18 months to 18 years hear and know they are worthy, through the love of Jesus. This is the foundation of our school.

I would like to thank you for your support. I would like to thank you for your continued prayers, your continued financial support, and your continued friendship. High Point Christian Academy is truly a special place, and you are part of what makes it so special.

Thank you for your prayerful blessings that you bestow upon our school.

\$549,588.12 CAPITAL CAMPAIGN

As the year 2020 comes to an end we are overwhelmed with gratitude as the most money every raised in the history of the school has been directed to our "It Happens Now" Capital Campaign. With tuition funding strictly being held for expenses within the annual operating budget, all building construction, whether new or renovation, is to be funded through a special capital campaign. Our school community will continue to hear more about how each family can become involved in this campaign.

\$ 5 2 , 9 2 1 S P E C I F I C P U R P O S E

Throughout the year, funds are raised for specific needs. These needs vary from athletics to fine arts to mission trips. These donated dollars fund specific initiatives for our students to enhance their experience on our campus, in our community, and throughout the globe. Over the past 25 years much has certainly changed on the campus of High Point Christian Academy: new faces, buildings and classrooms; new technology; and enhanced learning techniques. However, the one thing that has remained constant is our love for and focus on Jesus Christ.

HPCA was founded 25 years ago to be a school that would lead, equip, and build students to be life-long disciples of Christ. Today, this is more critical – and apparent – than ever.
