

# HIGH POINT CHRISTIAN ACADEMY

*Sponsorship Opportunities*  
*2025-2026*

Dear HPCA Partner,

High Point Christian Academy is rooted deeply in the mission of Christ-centered, quality education and academic excellence for each child who enters our doors. The opportunity to teach children about the Lord, forgiveness and hope fills our hearts with love.

Nearly 1,000 children are impacted each year through the mentorship, discipleship and leadership of High Point Christian Academy. However, this would not be possible without community supporters. As our ministry continues to strive for excellence, the needs for facilities enhancements, upgrades, and equipment continue to increase.

For the 2025-2026 school year, the K.M. Vestal Annual Fund donations will be directed to the following three areas:

**- Where Learning Thrives Under Open Skies: Outdoor Learning Environments**

An outdoor classroom is a dynamic, purposefully designed learning space situated in nature. This space will provide students with the opportunity to engage with the curriculum in a hands-on, experiential way that fosters curiosity, creativity, and critical thinking. Surrounded by natural elements, students explore science, literature, art, and even math in a setting that stimulates both mind and body.

Whether it's investigating ecosystems firsthand, journaling beneath the shade of a tree, or collaborating on a group project around a natural gathering circle, this outdoor classroom encourages deeper connections between students, their peers, and the world around them. This space will not only support academic excellence—it nurtures well-being, resilience, and a lifelong love of learning.

**- Investing in Innovation: STEM Enhancements**

At High Point Christian Academy, we are committed to preparing students not only for the challenges of today but for the opportunities of tomorrow. As part of that vision, we are expanding and enhancing our STEM (Science, Technology, Engineering, and Mathematics) programming to equip students with the skills, mindset, and tools needed to thrive in an increasingly complex and technology-driven world.

STEM enhancements at HPCA will include an upgraded lab space with advanced equipment and materials to support hands-on experimentation, critical thinking, and scientific discovery, curriculum that focuses on projects and challenges that link classroom concepts to real-world applications, fostering innovation and a passion for learning, and ongoing professional development to ensure our educators are equipped with the latest tools and training in STEM education.

With your support, we can create an environment where faith and innovation intersect, empowering our students to become the next generation of Christian leaders, thinkers, and problem-solvers.

**- Faithful Legacy: Debt Reduction**

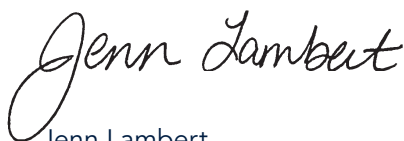

We are thankful for the success of, and continued support of, the HPCA Capital Campaign. The current loan on a six million dollar facility is 1.6 million. We would like to pay this off as quickly as possible.

Contributing to the debt reduction of The Gym helps ensure that HPCA continues to serve families with excellence and integrity, without the burden of long-term financial obligations. The continued reduction of our Capital Campaign debt strengthens financial stability, ensures long-term sustainability, and reflects strong stewardship of donor gifts.

Every gift to High Point Christian Academy is meaningful, regardless of size. Your generosity will ensure that our tradition of quality education in a Christian environment will continue to enrich its students and community.

What better cause to support than the spiritual and academic growth and development of a child! May you be richly blessed as you support the work of Kingdom Education at High Point Christian Academy.

With a grateful heart,

Jenn Lambert  
Advancement and Engagement Administrator

With a single ask for the 2025-2026 school year, we want to offer our parents and community businesses the opportunity to have premier logo placement, presentation and visibility for a multitude of upcoming HPCA initiatives.

## *Sponsorship Levels*

**Presenting Sponsor: \$10,500** | **Champion Sponsor: \$8,000**

**Green Sponsor: \$5,500** | **Blue Sponsor: \$2,750** | **White Sponsor: \$1,250**

## *Benefits of Your Sponsorship*

### **Fine Arts Program Advertising**

(Band, Choir, Elementary Christmas and Grandparents' Day, Preschool Easter, and Drama Productions)

#### **Presenting Sponsors:**

Full Page Ad

#### **Green Sponsors:**

Quarter Page Ad
