GPA/RANKING

Grade point averages are calculated on a weighted scale based on the final grades. The complete GPA scale can be found on the HPCA website. Classes are calculated with the CP scale unless specified Honors or AP. We do not rank students, however, class standing is determined by the weighted GPA of all grades earned at HPCA and reported in 1st, 2nd, top ten and quintiles if requested. Grades earned at other schools apply toward graduation requirements and are calculated in the unweighted GPA but are not calculated into the weighted GPA.
