CERTIFIED SPEECH
THERAPIST

My name is Rebecca Setzer. I am so excited to join the HPCA team! I have been a speech language pathologist for over 20 years in a variety of settings including both public and private schools, preschool, and home health. I have had my own private practice since 2016. I also am on part-time staff with AbolitionNC, a faith-based nonprofit. In recent years, I served as Director of Children's Ministries for a local church, have taught youth Sunday School, and have traveled to Rwanda to train adults in children's ministry. My husband and I have been married for 23 years and we have two teen boys, ages 15 and 13. If I am not working, you will find my nose in a good book, behind the lens of my camera, or spending time with my family.

"It is a true blessing for me to be a part of a Christian school. I became a Christian as a young child, and there were people in my life to guide and direct me in His Word. I see this coming school year as a wonderful opportunity to point children to the cross and show them the love of Jesus through our time together."

"TRAIN UP A CHILD IN THE WAY HE SHOULD GO; EVEN WHEN HE IS OLD HE WILL NOT DEPART FROM IT." PROVERBS 22:6
