HPCA WEEKLY SPECIALTY CAMPS

Throughout the summer, HPCA offers many different Specialty Camps. These specialty camps are open to our current families and community members.

Many of these camps have limited availability and registration is online, first-come, first-serve. Weekly Specialty Camps are NON-Refundable for those who notify the school less than two weeks prior to the camp date of any changes needed!

If your child needs to stay on-campus between the specialty camps, they will attend the HPCA Summer Day Camp for the gap between camps. Families will be charged \$10.00 per hour for this "in-between" care. Registration for "in-between" care is required.
