

CORONAVIRUS (COVID-19) UPDATE

Sunday, March 15, 2020

Dear TK – 12th Grade HPCA Students and Parents -

Thank you for your patience as we navigate these uncharted waters. We want to update you on our board-approved revised calendar for the next two weeks.

Monday, March 16 through Wednesday, March 18 will be teacher work days. Students are not expected to complete any schoolwork during these workdays (we will treat these similar to snow days). Beginning Tuesday, March 17 from 8:00 a.m. - 2:00 p.m. students can only visit campus if they need to pick up school supplies (students are not allowed to come on campus tomorrow).

Online learning for our TK - 12th grade students will begin on Thursday, March 19. Students and parents will receive communication over the next few days with explanations and details of what online learning will look like for your student. At this point, we plan to continue online learning through Friday, March 27.

We plan to keep spring break as scheduled, Friday, April 10 - Friday, April 17. However, this may change as the need arises.

Thank you-

Dr. Keith Curlee
Head of School
