

# CORONAVIRUS (COVID-19) UPDATE

Thursday, March 12, 2020

Dear HPCA Parents:

As we continue to partner with our families, we understand that consistent communication with you during this time is extremely important. It has been decided that we will cancel **all field trips scheduled from Friday, March 13 through Friday, March 20.**

We will continue to monitor the coronavirus situation daily and make decisions as needed. Thank you for your patience with us as we navigate the effects of this virus.

Blessings -

Dr. Keith Curlee  
HPCA Head of School
