

## How to “Submit” a paper assignment to Canvas from my Smartphone

BEST METHOD IS

OPTION VIA SMARTPHONE IN CANVAS STUDENT MOBILE APP:

Use your Smartphone and open the Canvas Student app

Navigate to the assignment

Click on “Submit” (or “Re-submit”)

Select your camera

Take a picture of assignment

Confirm image

(if you have multiple pages, take pictures of next pages and confirm them)

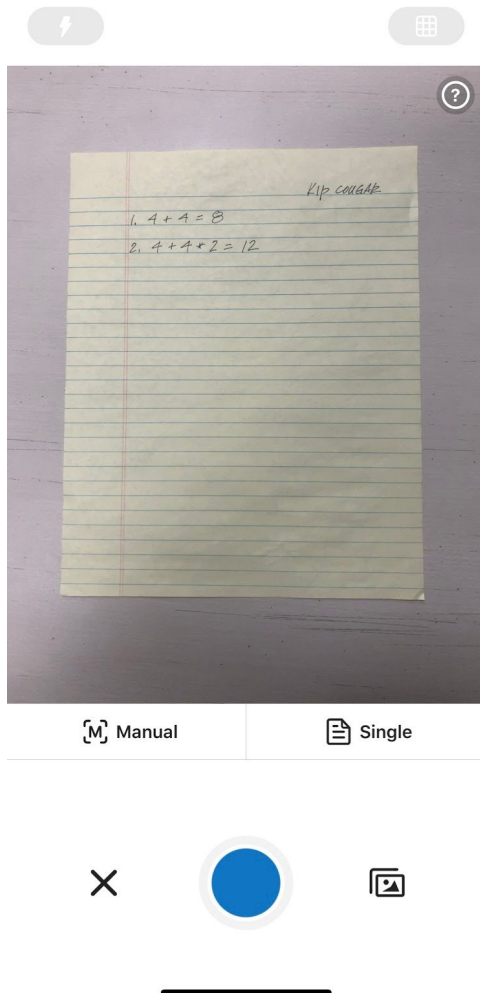

....When finished getting images of all pages

Click “Submit”

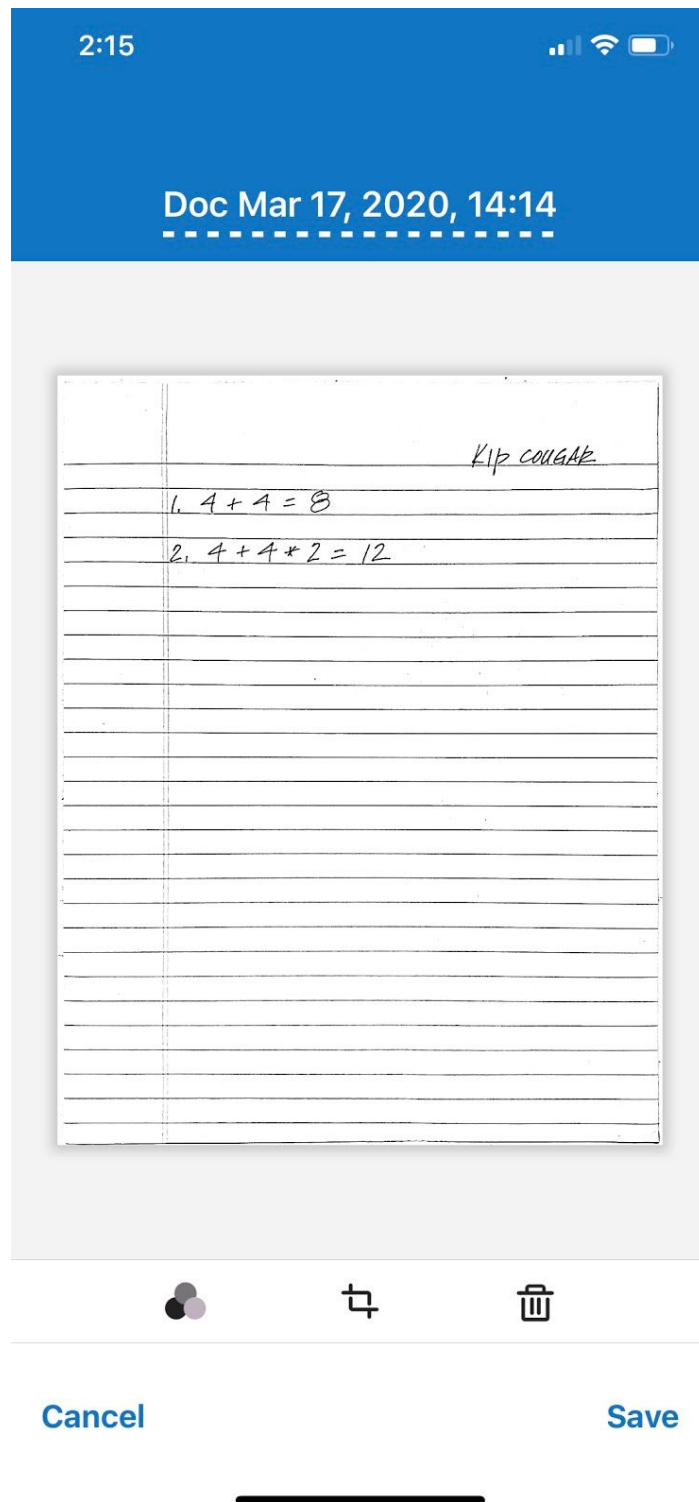

## SCANNER APP OPTION

NOTE: Please have an up-to-date version of the Canvas Student app logged into your student account on the same device before beginning these steps--links below.

1. Scan document using your Smartphone app "Tiny Scanner"
  - a. Frame over document
  - b. Click blue button to capture image

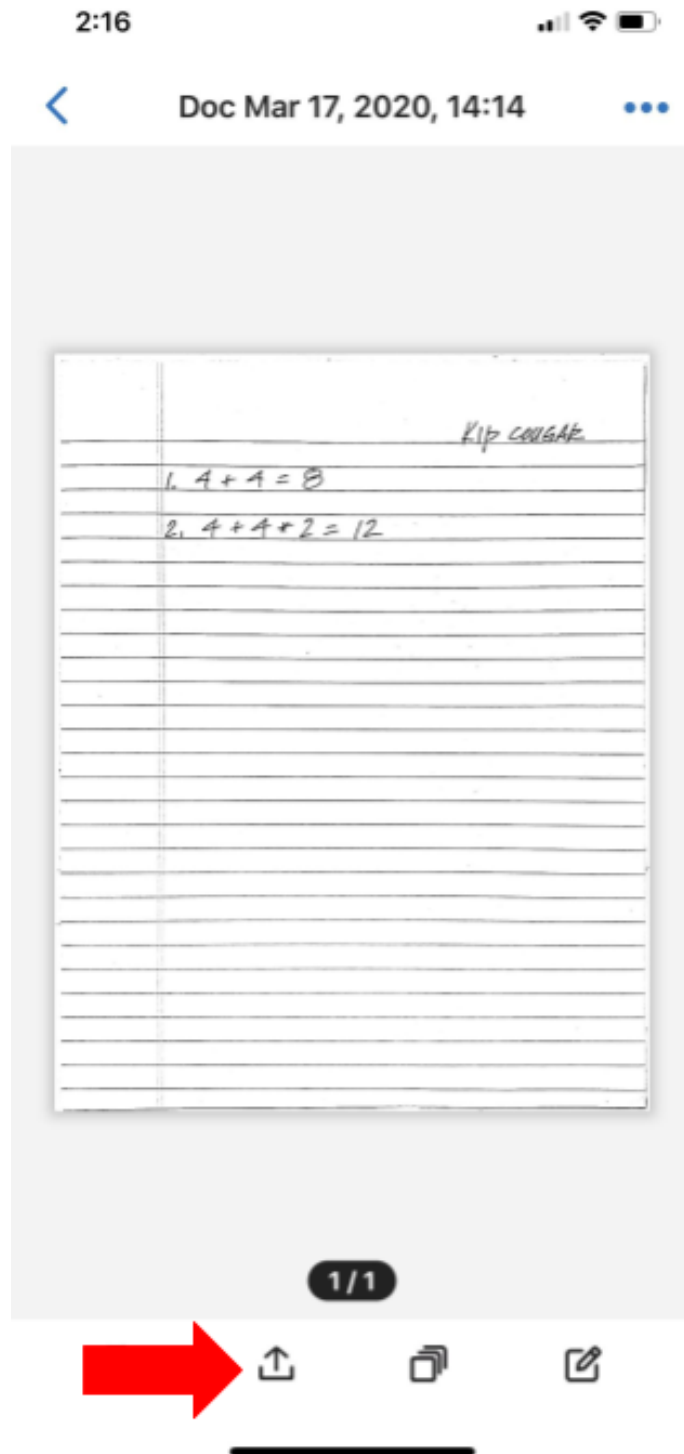

c. Click "Save"

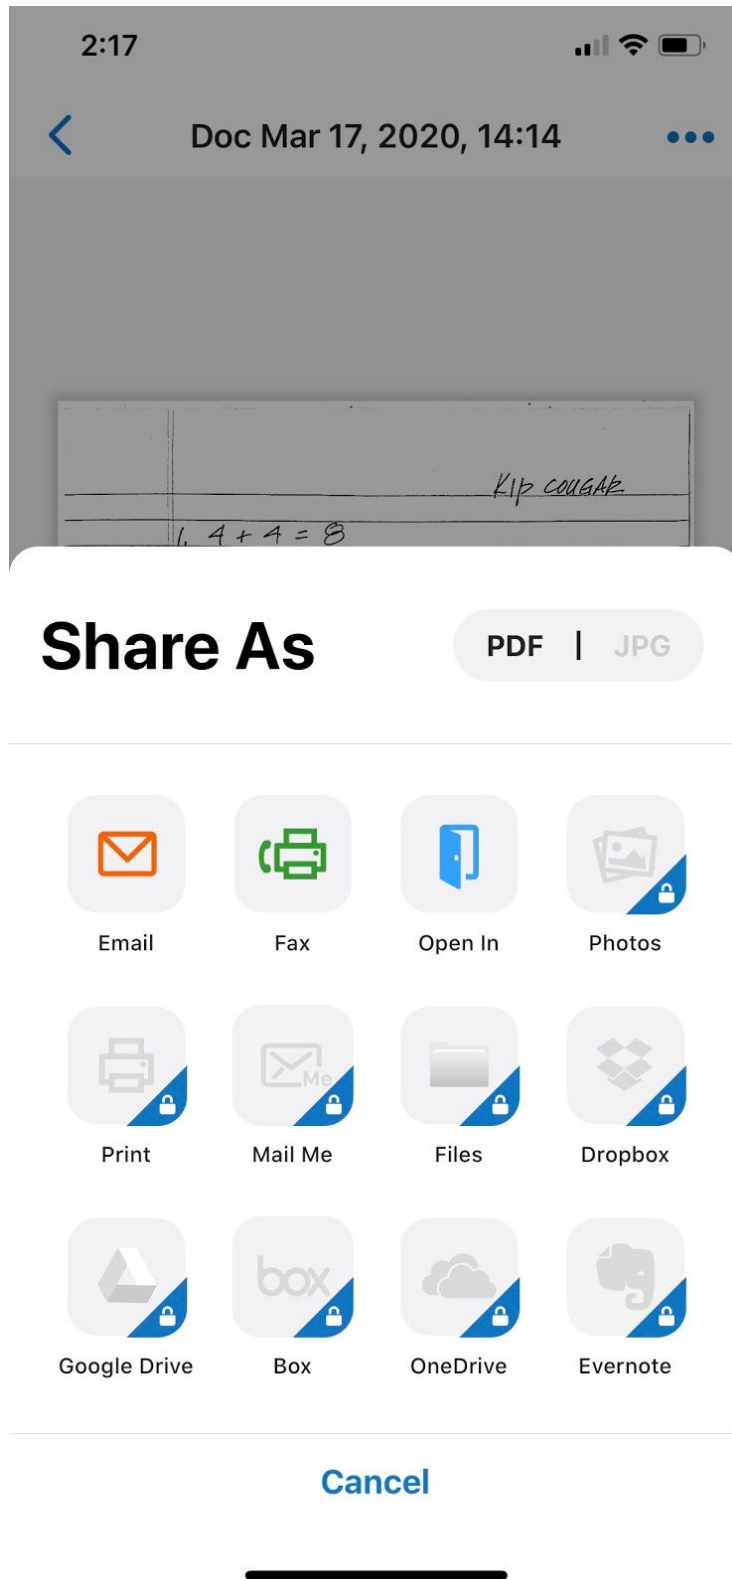

## 2. Share

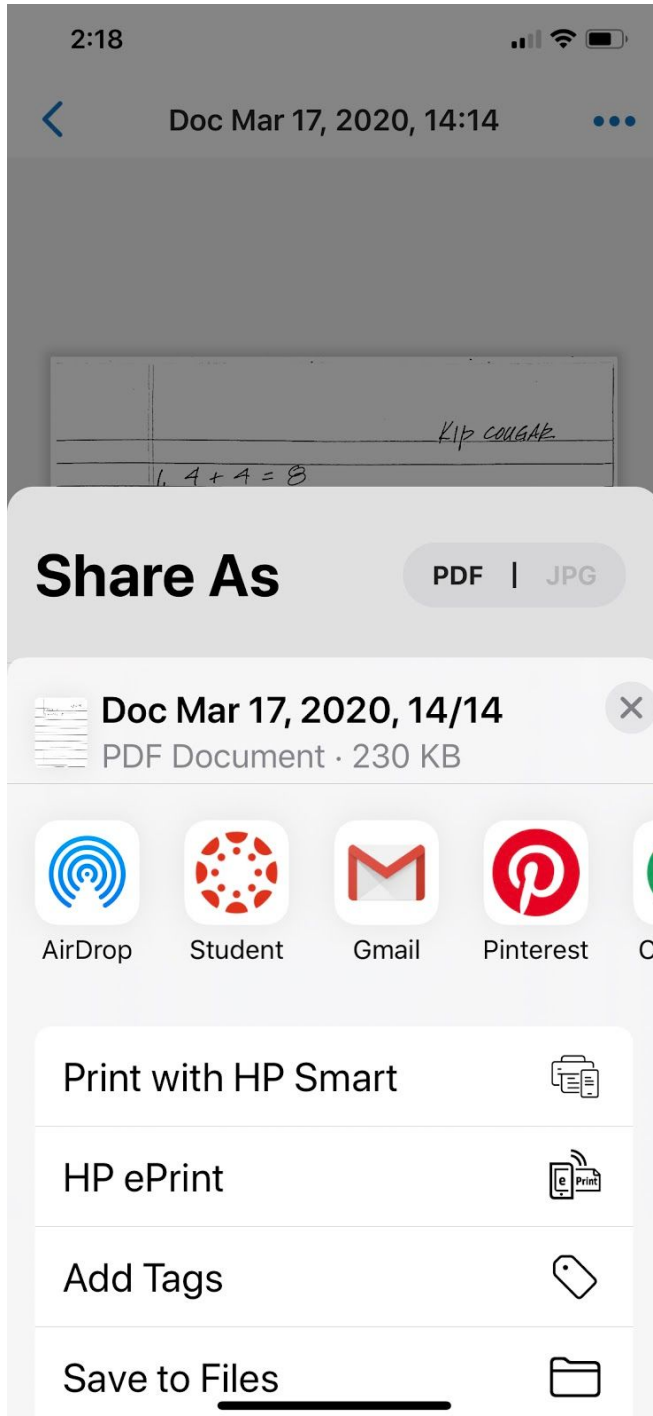

- a. Click on image to select
- b. Choose "Share" icon

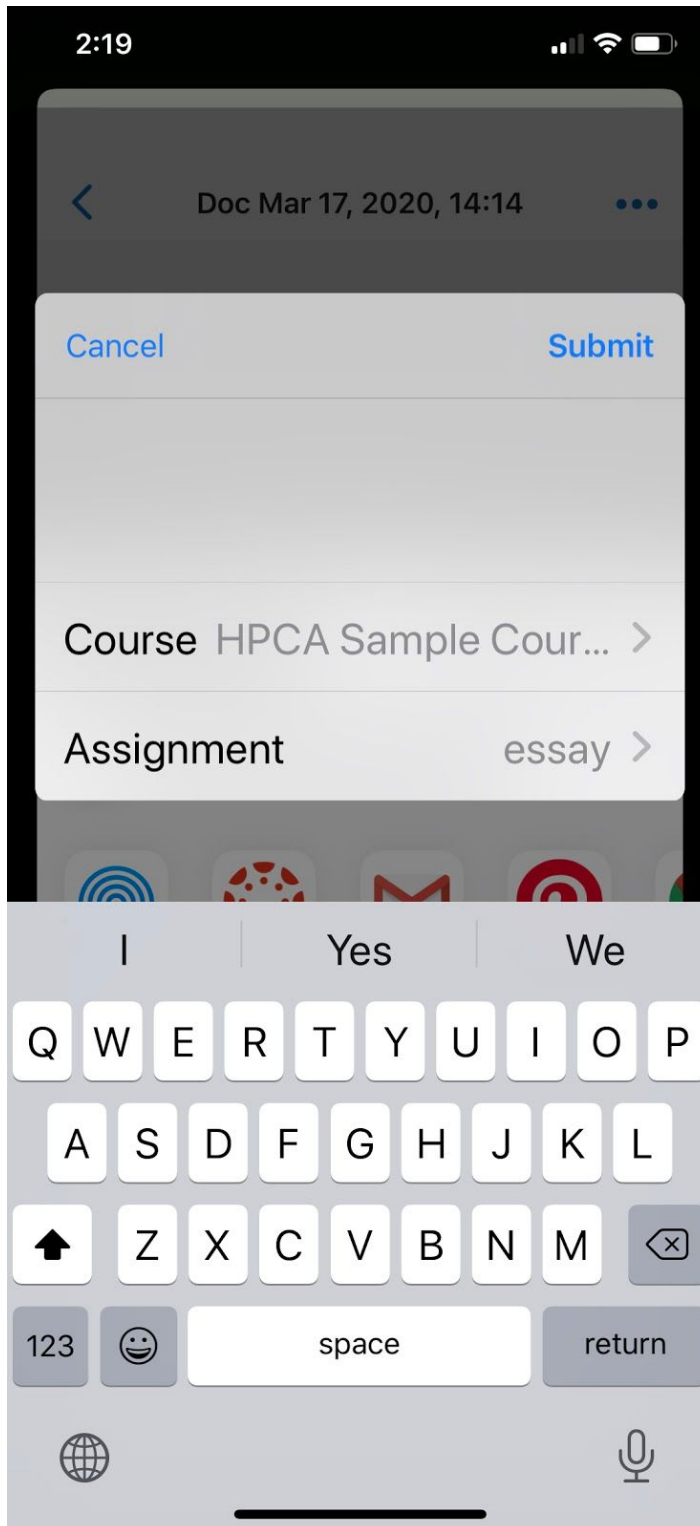

3. Choose "Open in"

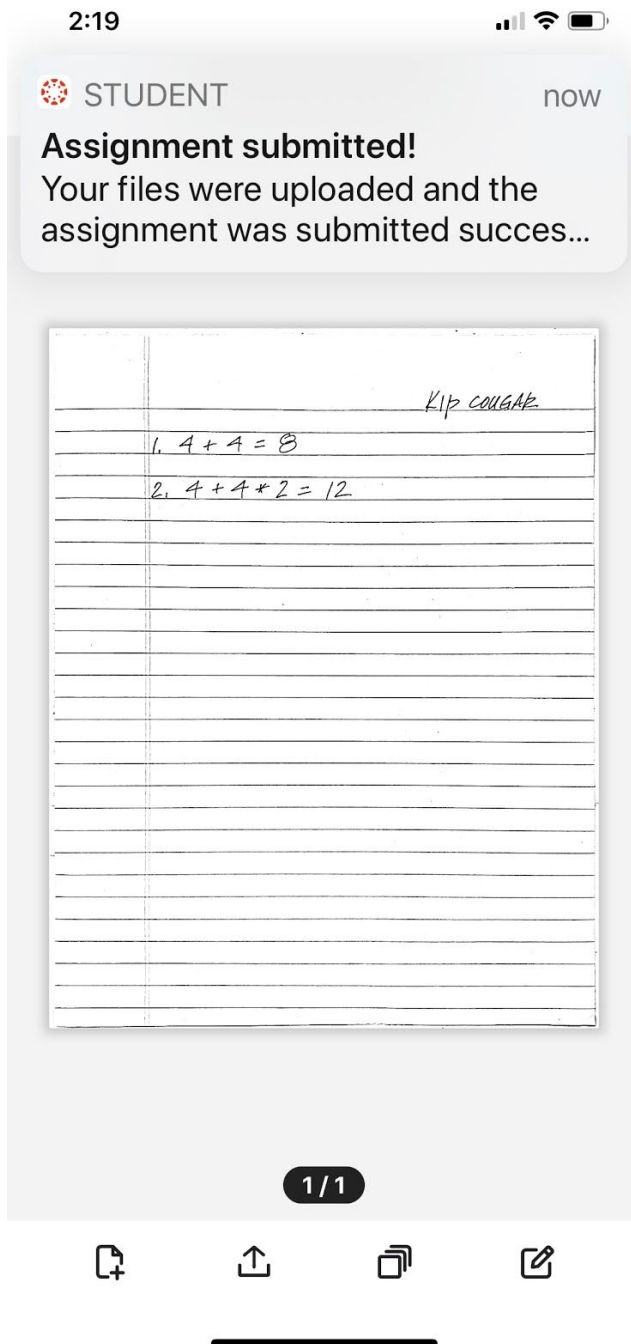

3. Inside the Tiny Scanner app, navigate to your Canvas Student app (If you do not see the Canvas Student app in your options, scroll to the right and look for “More”)

4. Select Course & assignment then click "Submit"

5. Check for confirmation (if notifications are turned on for Canvas)
