

# CORONAVIRUS (COVID-19) UPDATE

Saturday, March 14, 2020

Dear HPCA Families -

We wanted to inform you that Governor Roy Cooper ordered public schools to be closed beginning Monday, March 16, 2020. He also mandated no gatherings of over 100 people. Based on these two mandates, the HPCA School Board has voted that our students will not meet on campus for the next two weeks.

This decision was not easy, nor was it taken lightly, but we feel it is in the best interest of our community. We understand you will have questions and we will continue to keep you informed through this process.

The HPCA Board members have a called meeting on Sunday, March 15. You will receive communication regarding specifics for our cougar community, in regards to calendar schedule, online learning, communication, etc. The next communication will come out Sunday evening.

Thank you for your patience and understanding as we follow advice and guidance from our state government for the safety of our community.

Blessings,

Dr. Keith Curlee and HPCA School Board
