HPCA Families -

I know these past two weeks have certainly not been what we could have possibly imagined. What a great reminder for each of us; we do not control our lives, even our routine day-to-day activities. We are temporary, our homes, our vacations, our lifestyles are temporary. Having complete faith in our great God, who has His hand on every aspect of our lives, is our one certainty. What a wonderful reason for us to all rejoice!

I want to assure you that our board, our administration, and our teachers and staff are working tirelessly to ensure that our family continues to receive quality Kingdom Education. Although the days look different, which we know is challenging, our Cougar community is certainly unique. We are a family. Families stick together, and we look forward to seeing what great things God has planned for our families and for our school.

Thank you for your continued commitment to High Point Christian Academy.
