

CORONAVIRUS (COVID-19) UPDATE

Tuesday, March 31, 2020

HPCA Preschool Families -

These past few weeks have been hard, as we have missed seeing the sweet little faces of our kiddos on campus. We know this time has also been a challenge for you. We wanted to send you some brief updates from our HPCA Preschool team:

- The HPCA Preschool will remain closed until April 9, and then Easter Break will be observed April 10 - 17. The next school calendar update will be provided after our Board meets on April 11, based on direction from our government health officials.
- To maintain consistent communications with our families, you can expect to receive a weekly email from your teacher. This email will include optional resources for your child. Also, you will receive a weekly HPCA Preschool newsletter.
- Face-to-face, hands-on instruction is vital for children at this age, and since we are unable to provide that during this time, we have credited all families preschool tuition. If you have questions about your SMART account, please contact JBritton@hpcacougars.org.

Please know that we miss each of you! Our teachers continue to keep our students and families covered in prayer and we cannot wait to see you again!

- HPCA Preschool Team
