

CORONAVIRUS (COVID-19) UPDATE

Tuesday, April 28, 2020

Dear HPCA TK - 8th Grade Families -

We know these times are not as any of us planned. Please know that as this school year comes to a close, we will continue to be by your side to ensure we all finish “cougar strong!” As we have several more weeks of instruction for our elementary - middle school students, our teachers will continue to work extremely hard to ensure we wrap up this school year successfully.

Below are several key dates we want to make you aware of:

Tuesday, May 19

- Elementary and Middle School awards virtual video presentations will be at 7:00 p.m. this evening

Thursday, May 21

- TK - 8th grade students are able to participate in our “drive-thru” end-of-the-year celebration. We will collect all school books, chromebooks, etc, and distribute all locker items, art work, certificates, yearbooks, etc during this time.

Specific details regarding the events above will be emailed by Mr. Prohaska in the coming weeks.

As we look ahead, we have already begun planning for what our 2020-2021 academic year may look like. We are gathering a task force to ensure that when our students come back on campus, they are safe, healthy, and ready to learn and excel!

Over these next few months, we will lean on guidance from our health and government officials as to when our campus can open to our students. We know many of you attend our HPCA summer camps, which we are evaluating at this time. We will have more information for you about these camps in May. Please know we will continue to be in communication with you regarding our summer camp programs.

Thank you for your partnership with us. We know these times are not as planned, however, we will continue to “REJOICE ALWAYS” through these times.

Thank you -

Dr. Keith Curlee
